

# ***What will the recent workers' comp reforms mean to California employers?***

***Answers are on the way:***

ADMIT ONE  
STATE FUND'S SEMINAR  
***Workers' Comp Reform:  
The Employer's Role***

*in 17 California locations - see reverse*

The recently enacted workers' comp reform bills contain significant changes which will impact your business. To realize the maximum savings in medical treatment and reduction in workers' comp costs, all employers must be actively involved in the benefits process. **You** have a role in this process. Come to one of the free State Fund seminars taking place throughout California. Learn what you can do to benefit most from the reforms. Topics will include:

- Return to Work Incentives
- Medical Provider Networks
- Predesignation of Physicians
- Injury Reporting & Immediate Medical Treatment
- Supplemental Job Displacement Benefit (SJDB)

Seminars will last approximately 90 minutes.

**Please select from the dates, locations, and times listed on the reverse side.**

Seating is limited, so please select a first and second choice. In some locations parking may also be limited (see asterisks).

**R.S.V.P. by FAX**, using the form on the reverse side **no later than Monday, January 31, 2005.**

For more information, call (800) 892-6000.
